About Plates for a Purpose at The Hawbridge School

Each year, communities across the country gather for Empty Bowls events to fight hunger at the local level. Guests share a simple meal, take home a handmade bowl, and remember that too many bowls in our community remain empty.

At The Hawbridge School, Plates for a Purpose directly supports:

- The creation of a school-wide lunch program ensuring all students can enjoy healthy, reliable meals.
- Stocking the Hawbridge Food Pantries at both the Lower and Upper School throughout the year.

Funds raised will help us fill every student's plate, and every heart, with care.
