Business and Operations Report

LS:

1. Sprinkler Inspection week of June 22nd
2. Ramp- The ramp is in need of repair and/or replacement.

US:

1. The fire system inspection passed.
2. Sprinkler Inspection week of June 22nd.
3. Mini Truck- The truck is a 1995 and is rusting badly. It has 3 gas leaks- one gas line and 2 in the tank. The bed rails have also rusted and remain broken. I recommend that we purchase a used, small truck and after researching the Marketplace, we should be able to get one for well under 5,000. The truck will be primarily for custodian use. As great as the mini truck has been, I believe it's time to sell it as is and move to a reliable and more efficient vehicle. I would appreciate a decision soon so we can be prepared either to repair or to buy new before Aug. 1.
